

## **J&L Electrical Services Adds New Project Manager and Estimator**

### **News Release**

November 2011, Hudson, WI, J&L Electrical Services is pleased to announce a new member of the electrical team.

Pete Sedarski, Project Manager and Estimator has joined the J&L team. Pete began his electrical career in 1977 after finishing school at the University of Wisconsin Eau Claire. He has worked on, managed and estimated projects from commercial to industrial to highway heavy. Pete prides himself on his ability to create and maintain positive working relationships with general contractors, unions, and the end user. He offers a wide range of electrical skills and a broad education in the management area.

"We are very excited to have Pete on our team," commented LouAnne Berg, Owner, J&L Electrical Services, "He offers the highway heavy experience we've been looking for to broaden our platform we offer our clients."

In 2008, LouAnne Berg, Owner of J&L Steel Erectors expanded her business to include electrical services dba J&L Steel & Electrical Services. The electrical division offers industrial, commercial, institutional and highway heavy electrical services and has a proven safety record.
