## **J&L Steel Erectors and J&L Electrical Services have been State Certified as a Woman-Owned Business Enterprise**

**Hudson Wisconsin – February 2011 - J&L Steel Erectors and J&L Electrical Services, (advertised under the name of J&L Steel & Electrical Services),** have both received certification as a Woman-Owned Business Enterprise (WBE) through the State of Wisconsin Department of Commerce. The designation is pursuant to the state administrative rule requirements of Comm 104 which provides validation that J&L Steel Erectors and J&L Electrical Services meet the requirement of being at least 51 percent woman-owned, controlled and managed. It qualifies J&L Steel Erectors and J&L Electrical Services to be considered for contracts with corporations and government entities that seek vendor relationships with businesses owned and operated by women.

J&L Steel Erectors and J&L Electrical Services, established in 1977 and 2008 respectively, specialize in electrical service, commercial/industrial new construction, expansions, service contract work and steel installation including structural steel, reinforcing steel, miscellaneous metals, and post tension materials. To better promote state certified WBE's and to make it easy for buyers to find them, the Department of Commerce maintains an on-line WBE Directory at (<http://commerce.wi.gov/BD/BD-WBECertification.html>). Buyers can also obtain information about the products and services offered at [www.jlsteelinc.com](http://www.jlsteelinc.com).

### **About J&L Steel & Electrical Services**

J&L Steel & Electrical Services has been installing structural and reinforcing steel since 1977. In 2008 services were expanded to include electrical commercial, industrial and service work. Safety is our number one priority and we can help you meet project participation goals with ease and confidence.
